

The image features a central text overlay on a white background. The text is framed by a decorative border of autumn-themed elements, including brown, textured branches, various shades of orange and red maple leaves, and several pink, multi-petaled flowers. The overall aesthetic is warm and seasonal.

Digital Humanities

Семинар наставника 1.09.2026

The background of the slide is a white surface decorated with a collage of natural elements. It includes several thin, brown, gnarled branches that crisscross the frame. Interspersed among the branches are various autumn leaves in shades of orange, red, and yellow. There are also a few dried, pressed flowers, including a prominent pink dahlia and some smaller white and yellow blossoms. The overall aesthetic is rustic and seasonal.

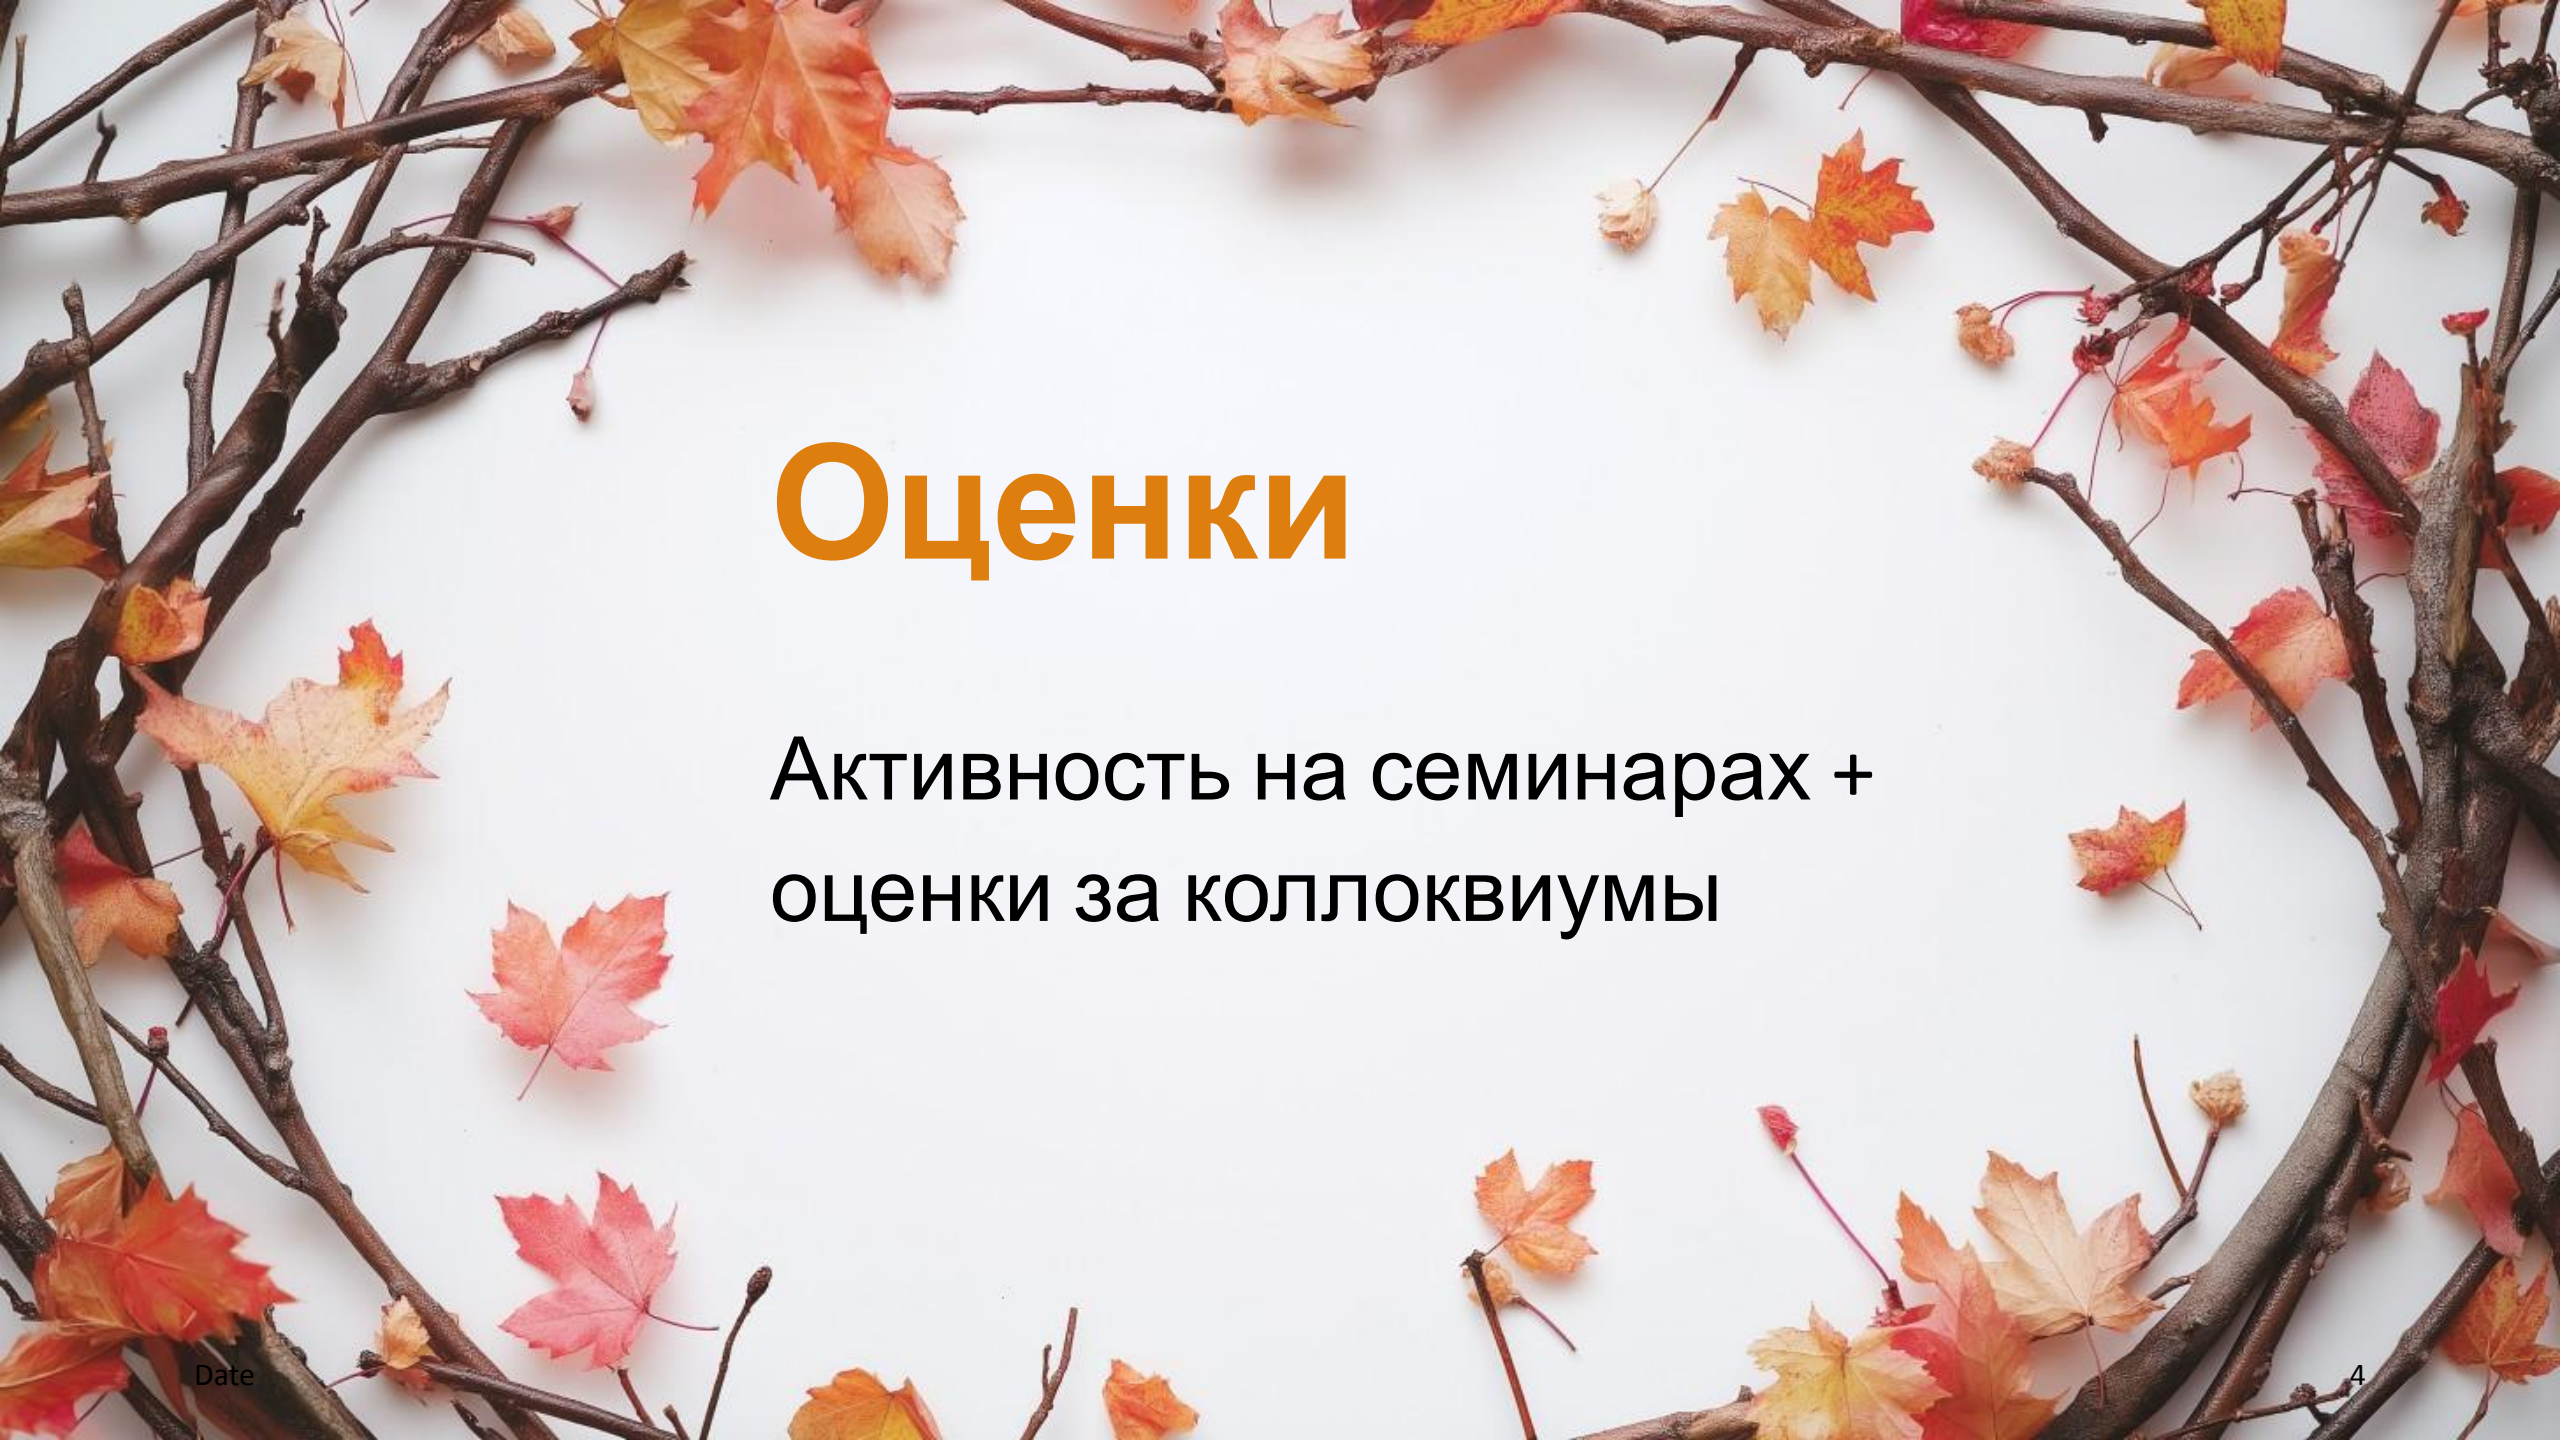

Организационно е

- Занятия по вторникам через неделю
- 4 встречи в модуле
- Формы занятий:
 - Лекции
 - Ридинги
 - Коллоквиумы (именуемые тестом)

The slide features a decorative border of autumn leaves and branches. The leaves are in various shades of orange, red, and pink, while the branches are dark brown and gnarled. The background is a plain, light color.

Схема занятий

- Лекции — только 2 встречи в первом модуле
- Последняя встреча в модуле — всегда коллоквиум
- В первом модуле 1 ридинг, в остальных 3

The background of the slide is a white surface decorated with several thin, brown, leafless branches and scattered autumn leaves. The leaves are in various shades of orange, yellow, and red, some fully open and others as small buds or falling leaves. The branches are dark brown and gnarled, creating a natural, rustic frame around the central text.

Оценки

Активность на семинарах +
оценки за коллоквиумы

The background of the slide is a light gray surface decorated with several dark brown, gnarled tree branches. Interspersed among the branches are various autumn leaves in shades of orange, red, and pink. Some leaves are whole, while others are partially torn or dried. There are also some dried, brownish flower heads or seed pods scattered around. The overall aesthetic is natural and seasonal.

Как читать тексты?

- Нужно понять, какую задачу он перед собой ставит.
- Поняв задачу, проверить, выполнена ли она. Нужно понять про методы и данные, с помощью которых решается задача. Адекватны ли методы задаче?
- Какие есть серые зоны и ограничения у методов

The background of the slide is a light gray surface decorated with several dark brown, gnarled tree branches. Interspersed among the branches are various autumn leaves in shades of orange, red, and pink. Some leaves are whole, while others are partially detached or clustered. There are also some dried, brownish flower heads or seed pods attached to the branches.

Как читать тексты?

- Что мы можем извлечь из этой статьи для собственного инструментария?
- Насколько задача осмысленна?
- В какой ряд аналогичных задач (в этой и других науках) вписывается?

The background of the slide is a white surface decorated with several thin, brown, leafless branches and scattered autumn leaves. The leaves are in various shades of orange, yellow, and red, some showing signs of being dried or pressed. The branches are dark brown and have a rough, textured appearance.

The background of the slide is a white surface decorated with a collage of autumn-themed elements. It includes several dark brown, gnarled tree branches that crisscross the frame. Interspersed among the branches are various leaves in shades of orange, red, and pink, some of which are whole and others are partially detached. Small, dried, brown seed pods or flower heads are also scattered throughout the composition, creating a textured and seasonal aesthetic.

Что такое гуманитарные науки?

The background of the slide is a light gray surface decorated with several dark brown, gnarled tree branches. Interspersed among the branches are various autumn leaves in shades of orange, red, and pink. Some leaves are whole, while others are partially detached or clustered. There are also some dried, brownish flower heads or seed pods attached to the branches.

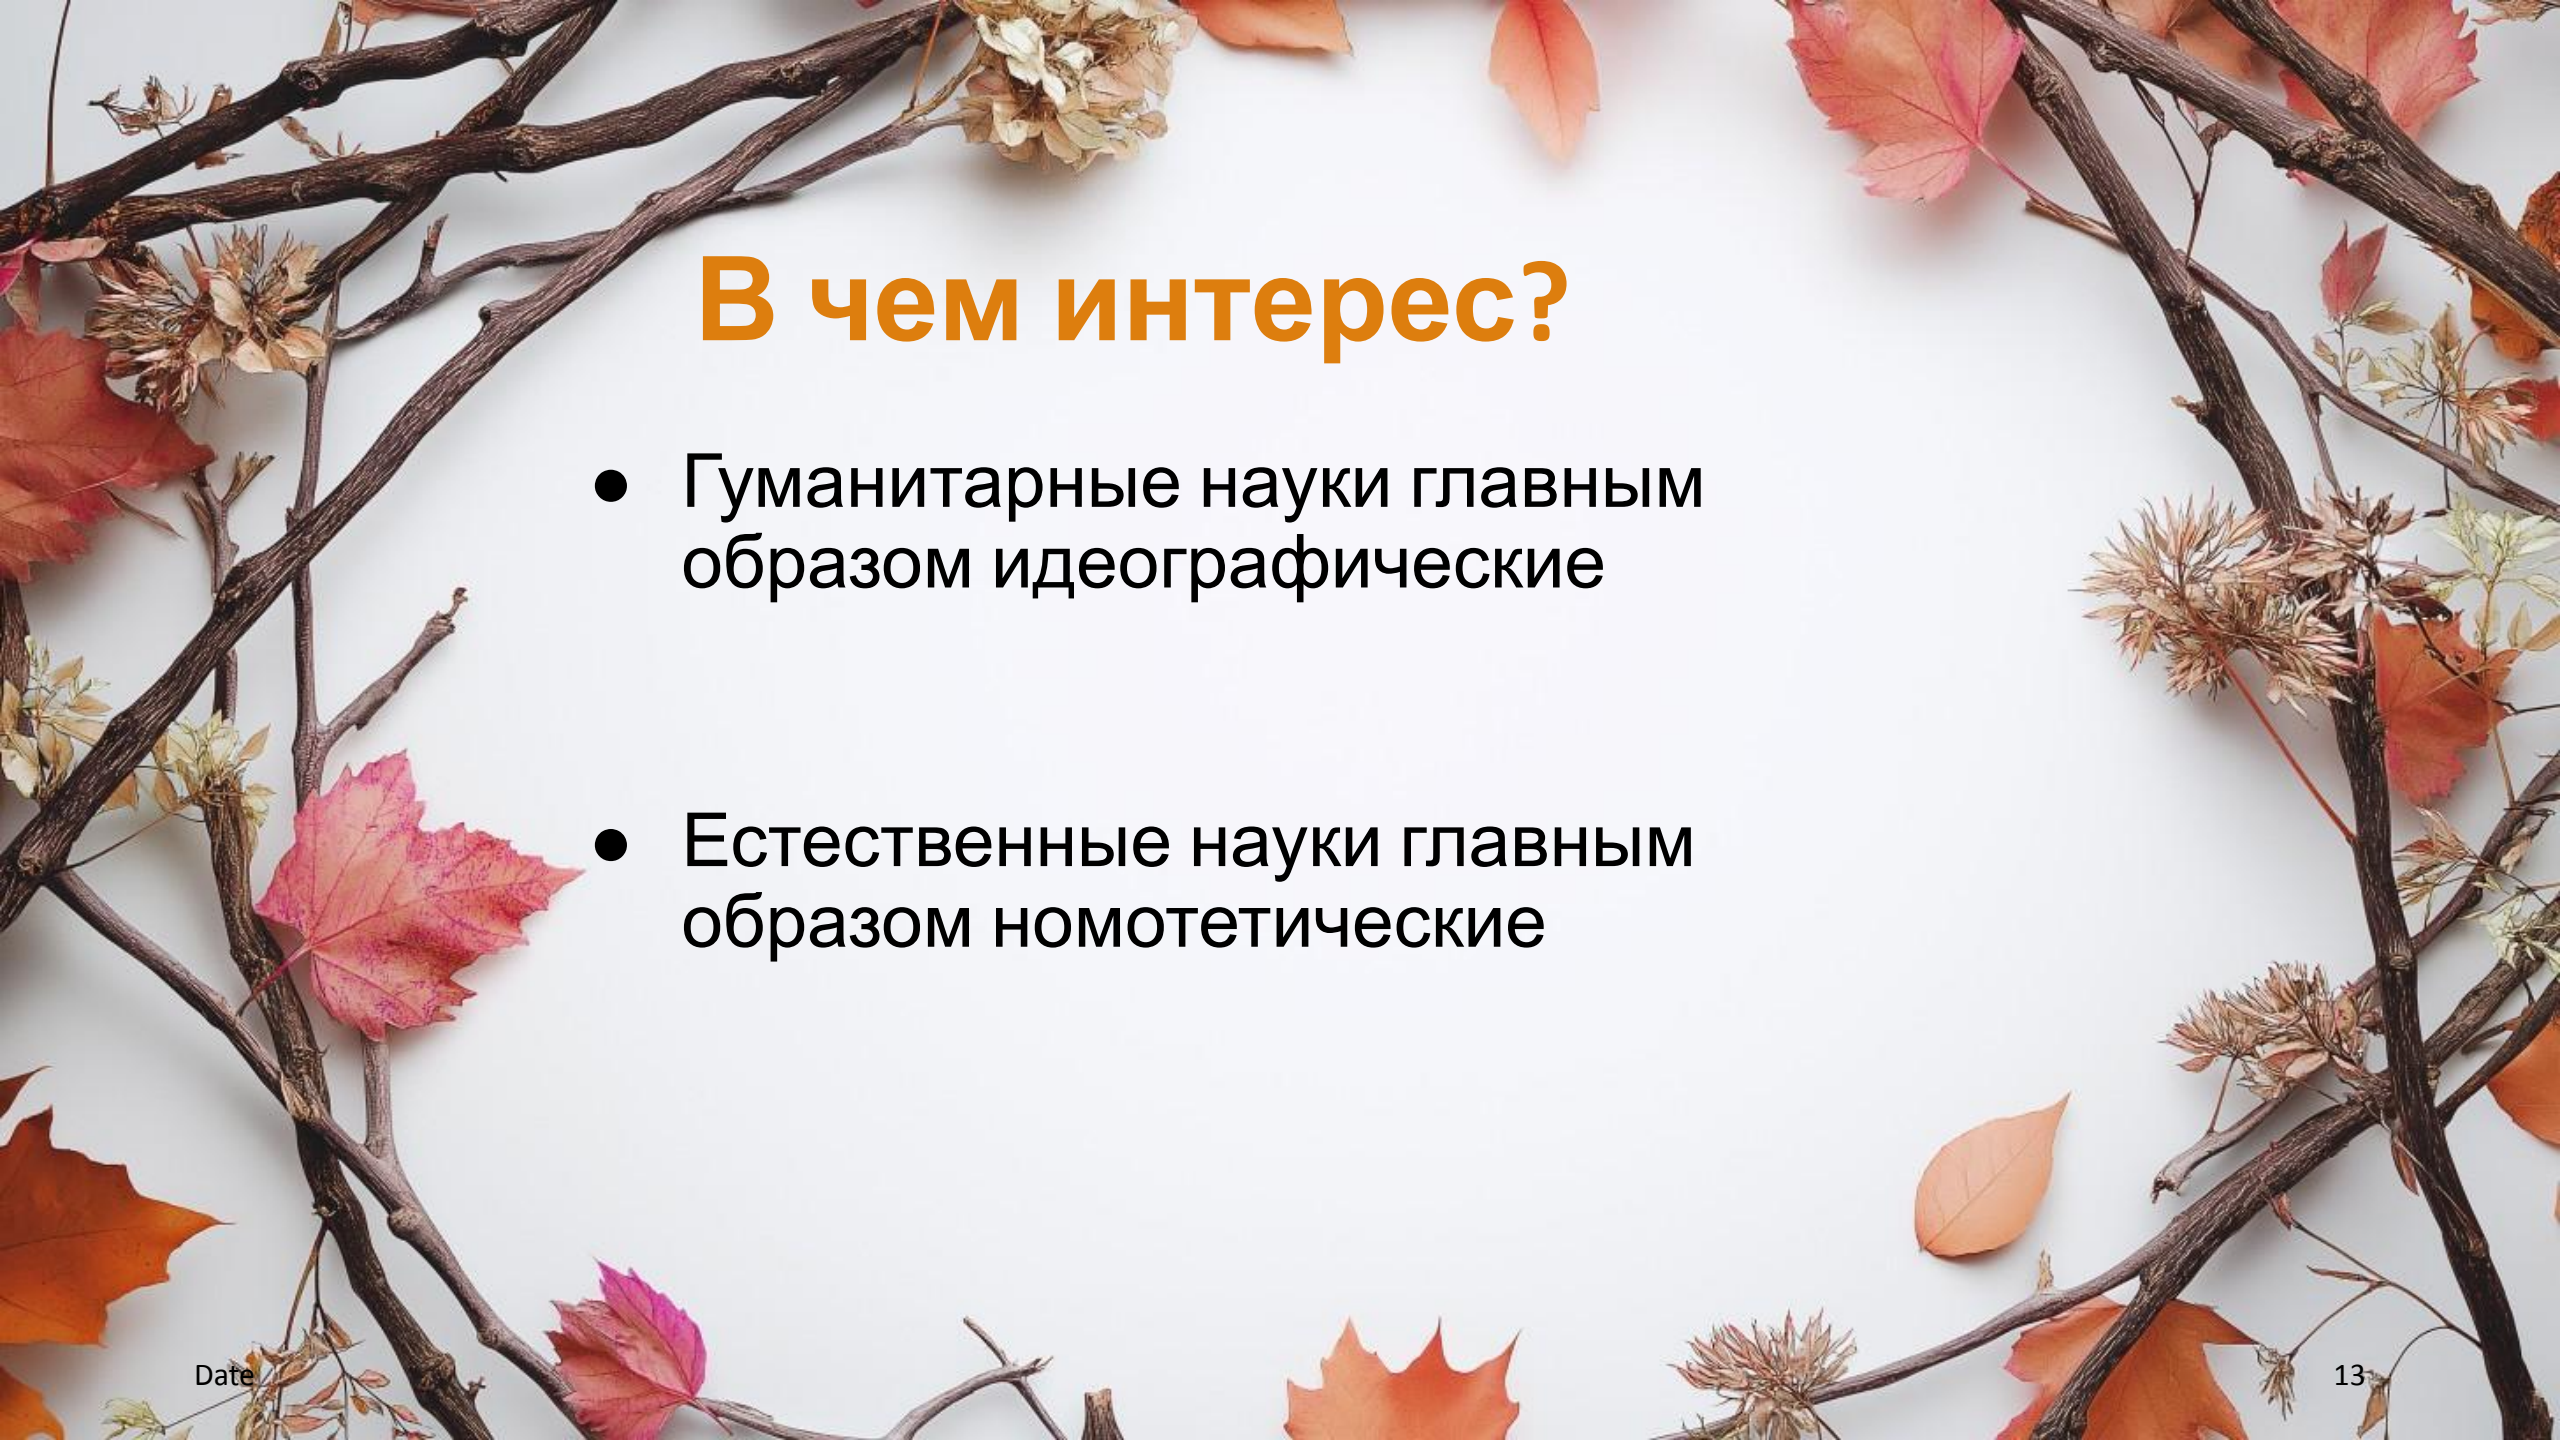

Классификация наук

- Классификации историчны
- Гуманитарные науки — результат сложных процессов, которые могли пойти иначе
- В какой ряд аналогичных задач (в этой и других науках) вписывается?

A decorative border made of dried autumn leaves in shades of orange, red, and pink, along with dark brown branches and some dried flower clusters, framing the central text.

Каков состав гуманитарных наук?

?

The background of the slide is a light gray surface decorated with several dark brown, gnarled tree branches. Interspersed among the branches are various autumn leaves in shades of orange, red, and pink. Some leaves are whole, while others are partially detached or clustered. There are also some dried, brownish flower heads or seed pods attached to the branches.

В чем интерес?

- Гуманитарные науки главным образом идеографические
- Естественные науки главным образом номотетические

The slide features a decorative border of autumn leaves and branches. The leaves are in various shades of orange, red, and pink, and the branches are dark brown and gnarled. The background is a plain, light color.

Лингвистика

Лингвистика — это наука о языке, объекте с вполне определенными свойствами, требующими точно определенных методов, а не произвольных деклараций о природе человека, когнитивных способностях, особенностях знаковых систем и т.п.

The background of the slide is a light gray surface decorated with several dark brown, gnarled tree branches.
